CHAY YING EN

AI & Data Analytics Internship Candidate | Singapore Polytechnic

chayyingennn1205@gmail.com | https://www.linkedin.com/in/chayyingen/ | github.com/yingearnn | Singapore

PROFILE

Diploma in Information Technology (AI & Analytics) student at Singapore Polytechnic with hands-on academic experience in Python, SQL, data analysis and web applications. I am still developing my programming skills and hope to strengthen them through mentorship and real-world challenges. I am eager to learn, take initiative and apply what I learn to contribute meaningful value to the team.

PORTFOLIO

EDUCATION

Singapore Polytechnic | Diploma in Information Technology (AI & Analytics)

Apr 2025 – Apr 2028 (expected)

TECHNICAL SKILLS

Programming: Python, JavaScript, SQL, HTML, CSS

Data Analytics: Pandas, NumPy, Matplotlib, Seaborn, Jupyter Notebook

Tools & Concepts: Git, GitHub, relational database concepts, web application development; interest in AI and machine learning

ACADEMIC PROJECTS

Singapore Graduate Employment & Salary Analysis | Programming for Data Analytics

Python · Pandas · NumPy · Matplotlib · Seaborn · Jupyter Notebook

- Used Python and Pandas to clean, filter and merge datasets, handling missing and nonnumeric values while examining Singapore employment and salary trends (2013–2020).
- Created visualisations of employment rates, median salaries and income distributions to explore differences by educational qualification.

Grow A Garden Web Application | Back-End Development

Live demo: yingearnn.github.io/grow-a-garden-app/

- Built a game-inspired browser application based on Roblox Grow a Garden, practising application flows, programming logic and interface integration.

Restaurant Ordering System | Database Systems

Live demo: yingearnn.github.io/restaurant-ordering-system/

- Applied relational database concepts to a restaurant-ordering scenario, exploring data relationships, order workflows and links between user actions and stored data.

WORK EXPERIENCE

Sales Assistant (Part-time) | Stryv

Sep 2026 – Present | Singapore

- Advised customers on suitable products based on their needs
- Answering questions and encouraged informed purchases without hard-selling.

Bookshop Assistant (Part-time) | Pacific Bookstores Pte Ltd

Nov 2024 – Dec 2024 | Singapore

- Assisted parents and students with textbook purchases, customer enquiries, cashiering and daily transactions.
- Monitored inventory, flagged low stock and prepared online orders for collection and delivery.
