Available for internship from March 2027

PROFILE : https://yingearnn.github.io/yingearnn-portfolio/

Diploma in Information Technology (AI & Analytics) student at Singapore Polytechnic with academic experience in Python, SQL, data analytics, RPA and web applications. Eager to strengthen my programming foundations, learn from industry professionals and contribute meaningfully to real-world projects.

EDUCATION

Singapore Polytechnic | Diploma in Information Technology (AI & Analytics)
Apr 2025 – Apr 2028 (expected)

TECHNICAL SKILLS

Programming: Python, JavaScript, SQL, HTML, CSS
Data Analytics: Pandas, NumPy, Matplotlib, Seaborn, Jupyter Notebook
Tools & Concepts: UiPath (RPA), Git, GitHub, relational databases, web development; exploring AI and machine learning

ACADEMIC PROJECTS

Singapore Graduate Employment, Salary Analysis & RPA | Programming for Data Analytics
- Cleaned, merged and analysed Singapore employment and salary datasets (2013–2020) using Python and Pandas.
- Created data visualisations; contributed to a UiPath workflow for AI-assisted chart analysis and automatic Word report generation.

Web Application Security & Vulnerability Analysis | Secure Coding · Pair Project
- Investigated SQL Injection, Broken Access Control and Security Logging failures using code review and manual testing.
- Demonstrated and presented SQL Injection mitigation using parameterised queries; documented authorisation and safer-logging practices.

Grow A Garden Web Application | Back-End Development
- Built a Roblox-inspired browser application to practise application flows, programming logic and interface integration.

Restaurant Ordering System | Database Systems
- Applied SQL and relational database concepts to restaurant ordering and data relationships.

WORK EXPERIENCE

Sales Assistant (Part-time) — Stryv | Sep 2026 – Present
- Recommended products based on customer needs, answered questions and encouraged informed purchases without hard-selling.

Bookshop Assistant (Part-time) — Pacific Bookstores Pte Ltd | Nov – Dec 2024
- Supported customer enquiries, purchases, cashiering, stock monitoring and online order fulfilment.

AWARDS & LANGUAGES

Awards: Edusave Merit Bursary (twice); Edusave Award for Achievement, Good Leadership and Service (EAGLES)
Languages: English and Mandarin

EXPECTED SALARY

Minimum 1.2k for Year Long Internship (According to Singapore Polytechnic Website)
